The building is an exciting and inspiring place to work. You arrive into an impressive large atrium with a feature triple tier staircase and interesting features all around, including vaulted ceilings and exposed concrete columns which together create a fresh and modern look and feel.

"We love it here. The space is open, relaxing, and all the tenants are very friendly. Small touches like the free fizzy drinks, ping pong tournament, and Lightbox branded bikes to hire make the space an enjoyable place to be. We would highly recommend to anyone looking for space in Bracknell."
